Change History

Version 1.0 : April 10, 2012

- Initial Draft, sans annotations

Version 1.1 : April 12, 2012

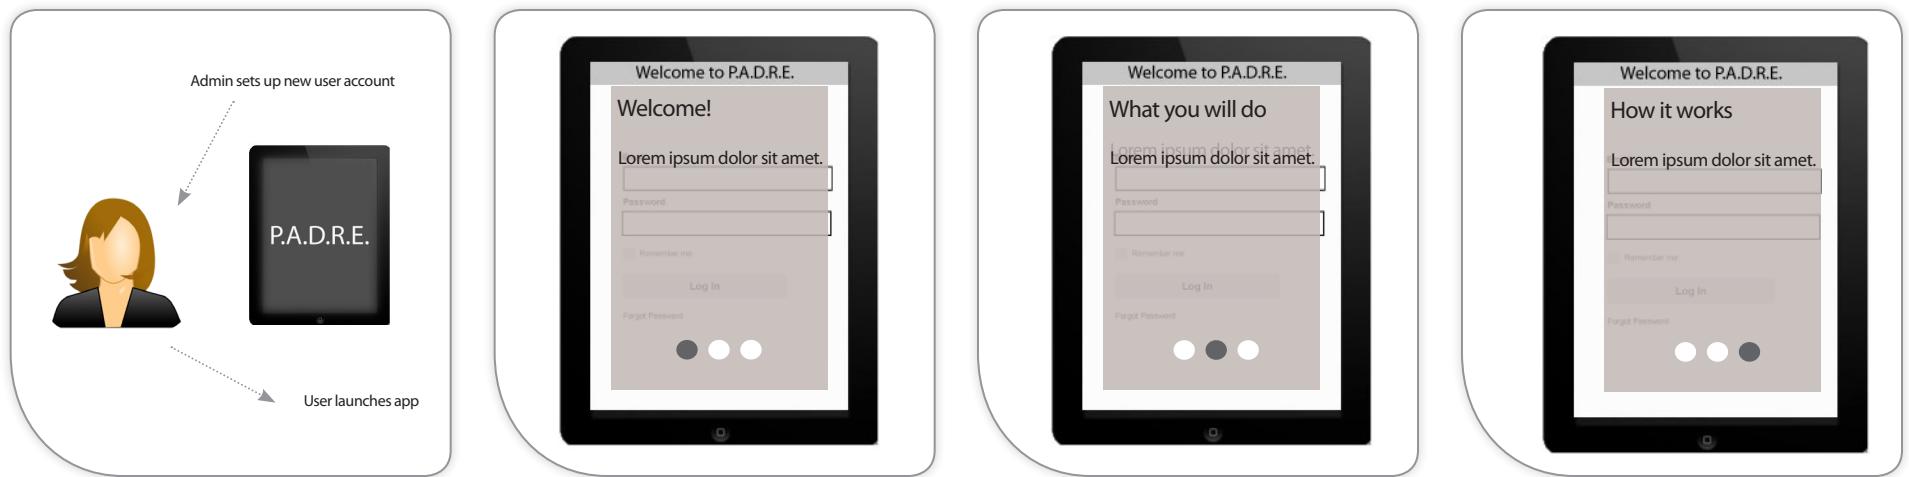

- Functionality changes

Version 1.2 : April 13, 2012

- Added website for admin and attendings

First Time User Flow

First Time User Flow

1. APP LAUNCH

User is registered by the admin to use the P.A.D.R.E. iPad app

2. WELCOME SCREEN

3. WHAT YOU WILL DO SCREEN

What you will do screen explains what P.A.D.R.E. does

4. HOW IT WORKS SCREEN

How it works screen will explain how to record your voice and the steps

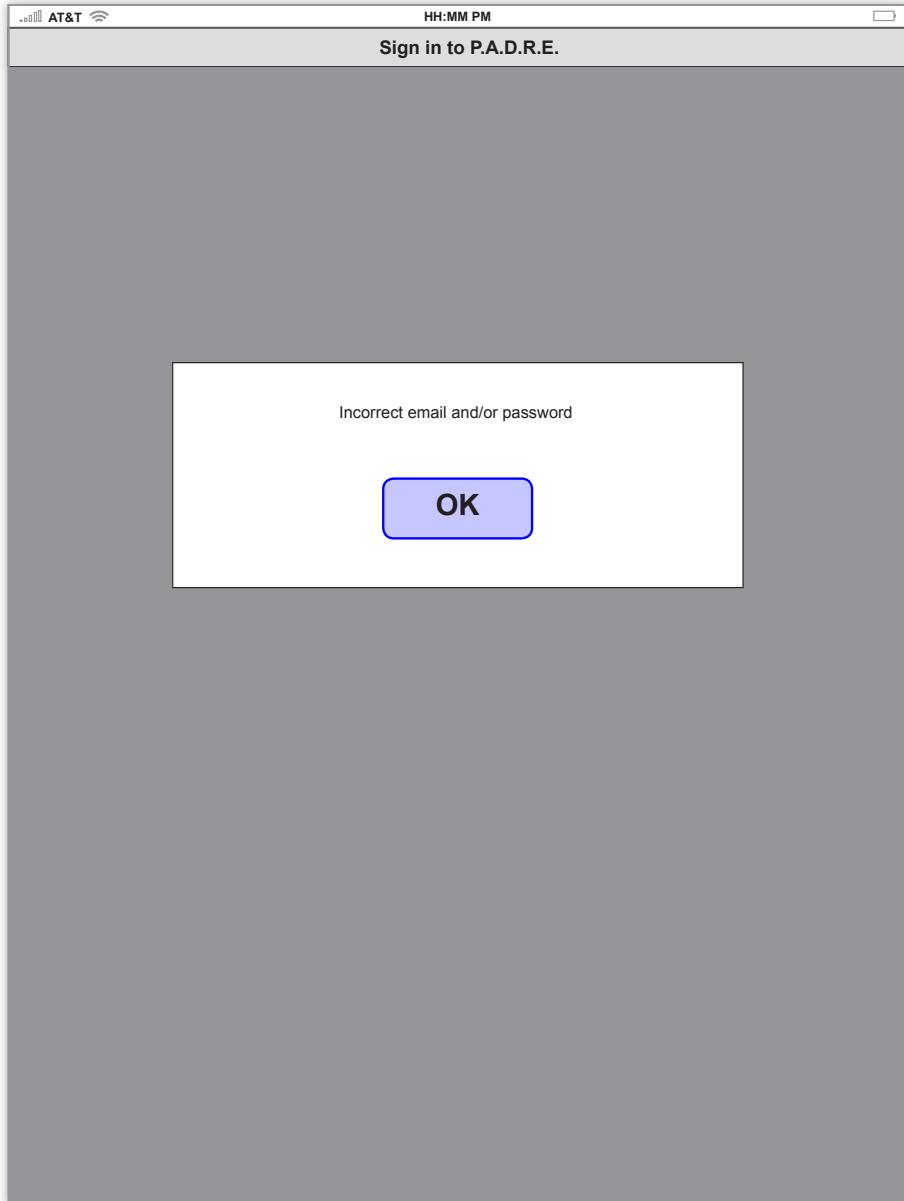

iPad App

Log In

A screenshot of a mobile device displaying the 'Sign in to P.A.D.R.E.' page. The top status bar shows signal strength, AT&T provider, and battery level. The title bar says 'Sign in to P.A.D.R.E.'. The form contains fields for 'Email' and 'Password', both with placeholder text. Below the password field is a 'Remember me' checkbox. A large blue 'Log In' button is at the bottom. At the bottom left is a 'Forgot Password' link. A small orange circle with the number '1' is overlaid on the left side of the page.

1. Forgot password link sends the admin an email

Login Error

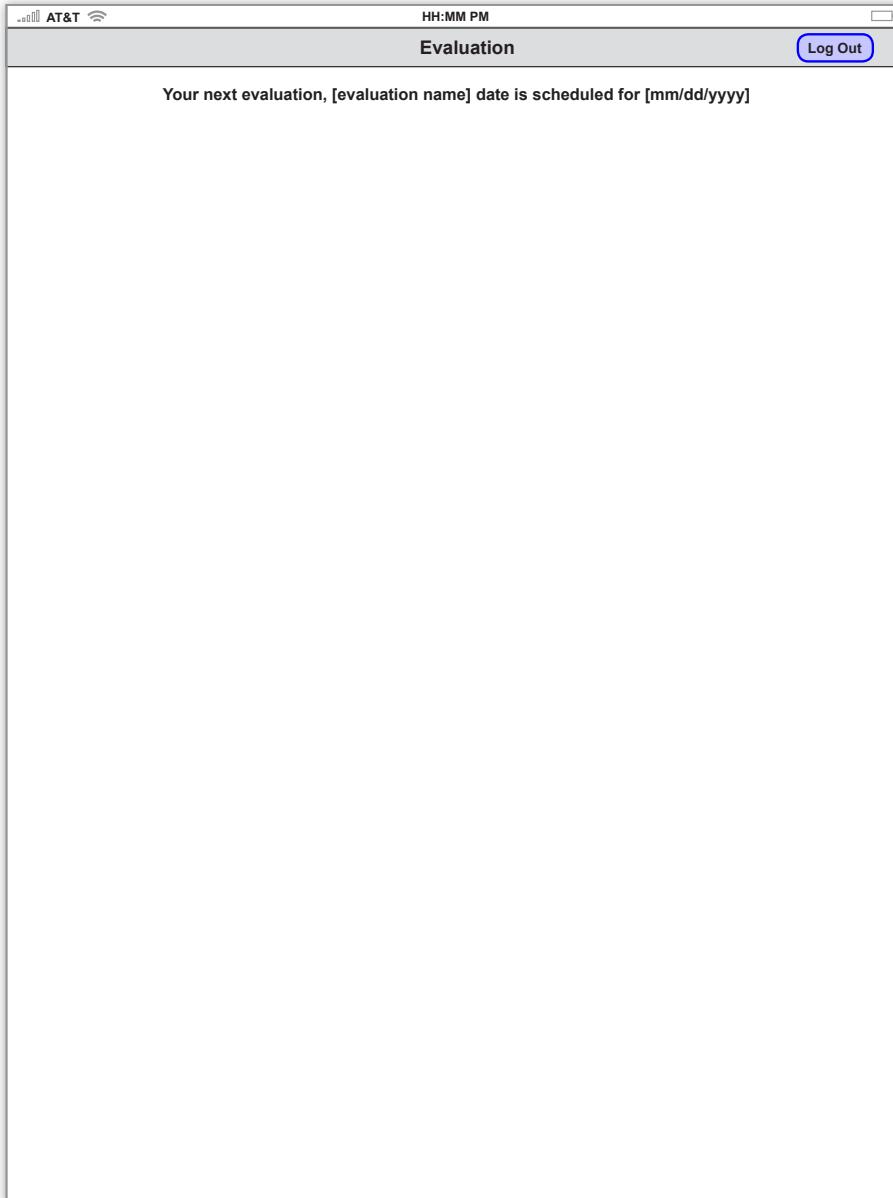

Forgot Password

The screenshot shows a smartphone screen with the following details:

- Top Bar:** AT&T signal, battery icon, and HH:MM PM.
- Title Bar:** "Sign in to P.A.D.R.E."
- Back Button:** A "Back" button is visible on the left.
- Text:** "Can't Sign In? Forget your password?" followed by instructions: "Enter your email address below and we will send you your password reset instructions."
- Input Field:** A text input field labeled "Enter your email address".
- Button:** A blue button labeled "Ask my admin to reset my password".
- Note:** A note about spam filters: ".note about spam filters" followed by placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Praesent at mi sed dolor adipiscing ornare a at dui. Aliquam euismod nisi ac erat fermentum in malesuada elit mattis. Sed lacinia."

1. Email is sent to admin to reset password

Evaluation Not Ready

1. When the user is not ready for their next evaluation and they open the app, they will be notified of the date of their next evaluation as well as what the evaluation is.

Intro Page

AT&T HH:MM PM

Evaluation Log Out

Evaluation Name:
Cardiology Evaluation: End

Date:
mm/dd/yyyy

Covering:
Lorem ipsum dolor sit amet, consectetur adipiscing elit. Quisque molestie, est adipiscing volutpat adipiscing, nisi lectus tincidunt lorem, id eleifend magna lorem in lectus. Nam lacus nulla, dapibus vel tempus vel, porttitor eu dolor. Cras sollicitudin blandit ullamcorper. Donec gravida cursus massa, eu euismod eros sodales in. Aliquam condimentum faucibus purus, id venenatis odio vehicula ut. Nulla fringilla malesuada ipsum, at dictum sem dapibus eu. Mauris at pulvinar nisl.

Hospital:
Stonybrook Medical Center

Advisor:
Dr. Scott Thomas

Sections:
There are 3 sections to this evaluation

Time:
This will take approximately 10 minutes

Start

This page is displayed when user is ready for their evaluation

Script

The image shows a smartphone screen with a white background. At the top, there is a status bar with icons for signal strength, battery level, and AT&T connectivity. Below the status bar, the title "Script 1/3" is centered above a large text area. In the top right corner of the text area is a blue "Log Out" button. On the far left edge of the text area, there is a small "Back" button. The main text area contains several paragraphs of placeholder text (Lorem ipsum) with red underlined sections indicating where users should speak. At the bottom of the screen, there is a large blue rectangular button labeled "Record". Above this button, the number "1" is enclosed in an orange circle. To the left of the "Record" button, the number "2" is also enclosed in an orange circle.

Inec imperdiet augue urna ac odio. Etiam pretium sem vel arcu pretium facilisis sollicitudin velit egestas. Vestibulum malesuada, augue et elementum facilisis, felis odio pulvinar justo, ac pharetra dui velit non lorem. Curabitur diam ante, tincidunt ac vulputate id, vestibulum facilisis velit. Sed ante orci, cursus eu suscipit eu, pretium nec risus. Aliquam urna dui, _____ ullamcorper in ornare vel, rutrum at massa. Cras diam turpis, iaculis nec facilisis vitae, euismod sodales tortor. Duis vel quam nisi. Praesent vulputate tortor a enim mattis eu vehicula sapien molestie. Lorem ipsum dolor sit amet, consectetur adipiscing elit. Phasellus porta tortor eu erat luctus posuere faucibus diam consectetur. Nullam laoreet convallis orci at tincidunt. Donec sed tincidunt odio. Lorem ipsum dolor sit amet, consectetur adipiscing elit. Morbi a lorem orci. Cras porta nulla ac sapien imperdiet ornare. Donec ut gravida purus. Nunc aliquet eros vitae nunc porta bibendum. Aenean _____ feugiat rhoncus erat, sed sodales orci tincidunt nec. Etiam ultricies dolor ac tellus rutrum faucibus. Quisque nec rhoncus est.

Sed posuere, tellus vel adipiscing fringilla, elit elit rhoncus tortor, vitae volutpat nulla sem nec tortor. Nam aliquet volutpat purus eu auctor. Cras quis enim magna, sed cursus tortor. Suspendisse potenti. Phasellus venenatis pellentesque venenatis. Fusce lectus massa, porttitor eget adipiscing ac, lacinia id metus. Vivamus quis nunc sed elit laoreet pharetra.

Lorem ipsum dolor sit amet, _____ consectetur adipiscing elit. Morbi a lorem orci. Cras porta nulla ac sapien imperdiet ornare. Donec ut gravida purus. Nunc aliquet eros vitae nunc porta bibendum. Aenean feugiat rhoncus erat, sed sodales orci tincidunt nec. Etiam ultricies dolor ac tellus rutrum faucibus. Quisque nec rhoncus est.

Sed posuere, tellus vel adipiscing fringilla, elit elit rhoncus tortor, vitae volutpat nulla sem nec tortor. Nam aliquet volutpat purus eu auctor. Cras quis enim magna, sed cursus tortor. Suspendisse potenti. Phasellus venenatis pellentesque venenatis. Fusce lectus massa, porttitor eget adipiscing ac, lacinia id metus. Vivamus quis nunc sed elit laoreet pharetra.

1. The length of the script does not exceed one screen while still allowing for the record button.

2. The user taps the record button to record. The record button has a red flashing button once the user begins to record.

Once the user starts recording, the recording time is displayed. To stop recording, user taps on the button a second time.

Script Recorded

The screenshot shows two parts of the DCOR 3 app. The top part is a script recording screen titled "Script 1/3". It displays a block of Latin text for the user to record. The bottom part is a "Review Recording" interface with three numbered buttons: 1. A play button, 2. "Re-Record", and 3. "Next".

Review Recording

1 2 3

Re-Record Next

- Once user taps record button to end recording, play box appears with the ability to re-record or save
- User can re-record their script
- When User is satisfied with their recording, they tap the next button and are directed to the next portion of the script (or to the end of the evaluation - button changes to done instead of next at the end)
- The section of the evaluation they are on is displayed

Record Sequence

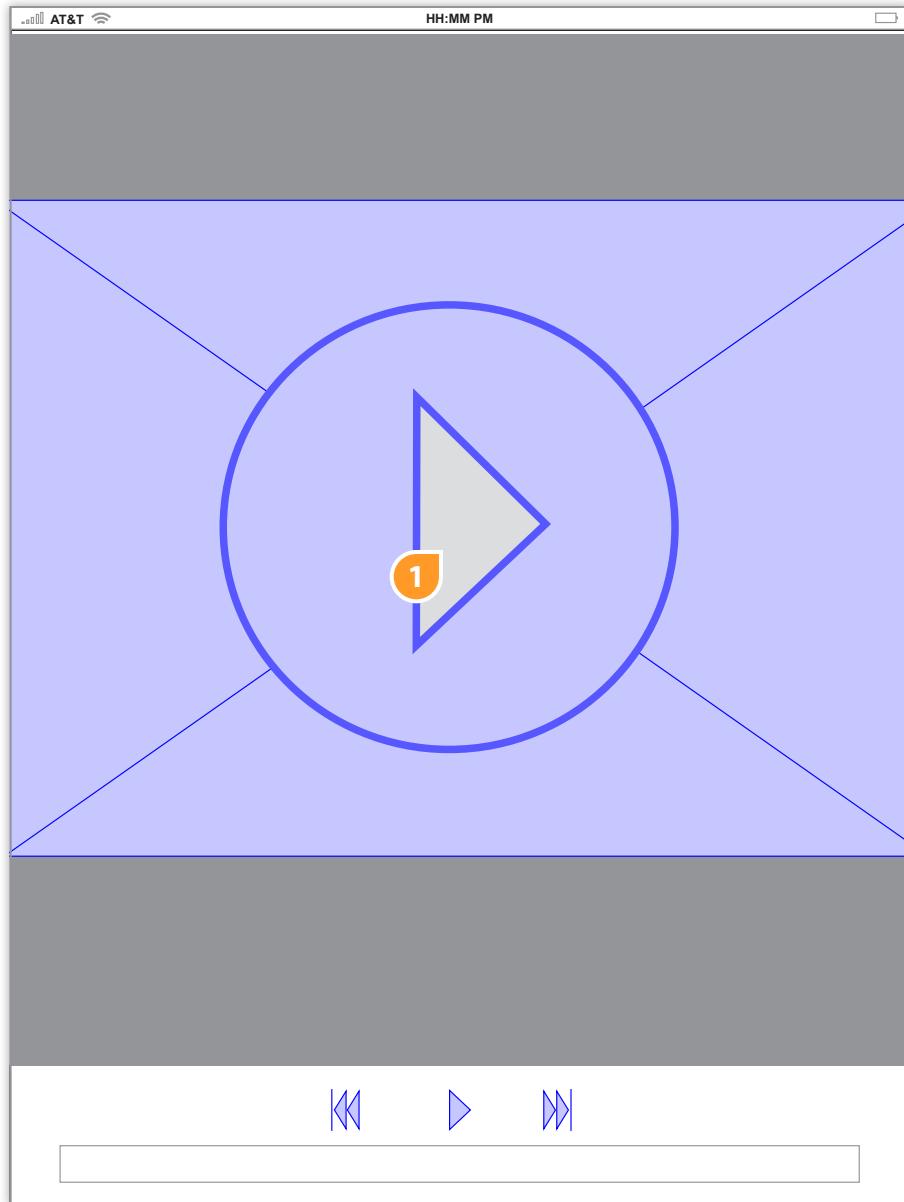

User taps record button to record the script

User taps the record button a second time to stop recording

User can:

1. Play their script back
2. Re-Record their script
3. Move on to the next section

Video Question

1. User taps the play button to watch the video
The orientation can be switched from vertical to horizontal

Video Record

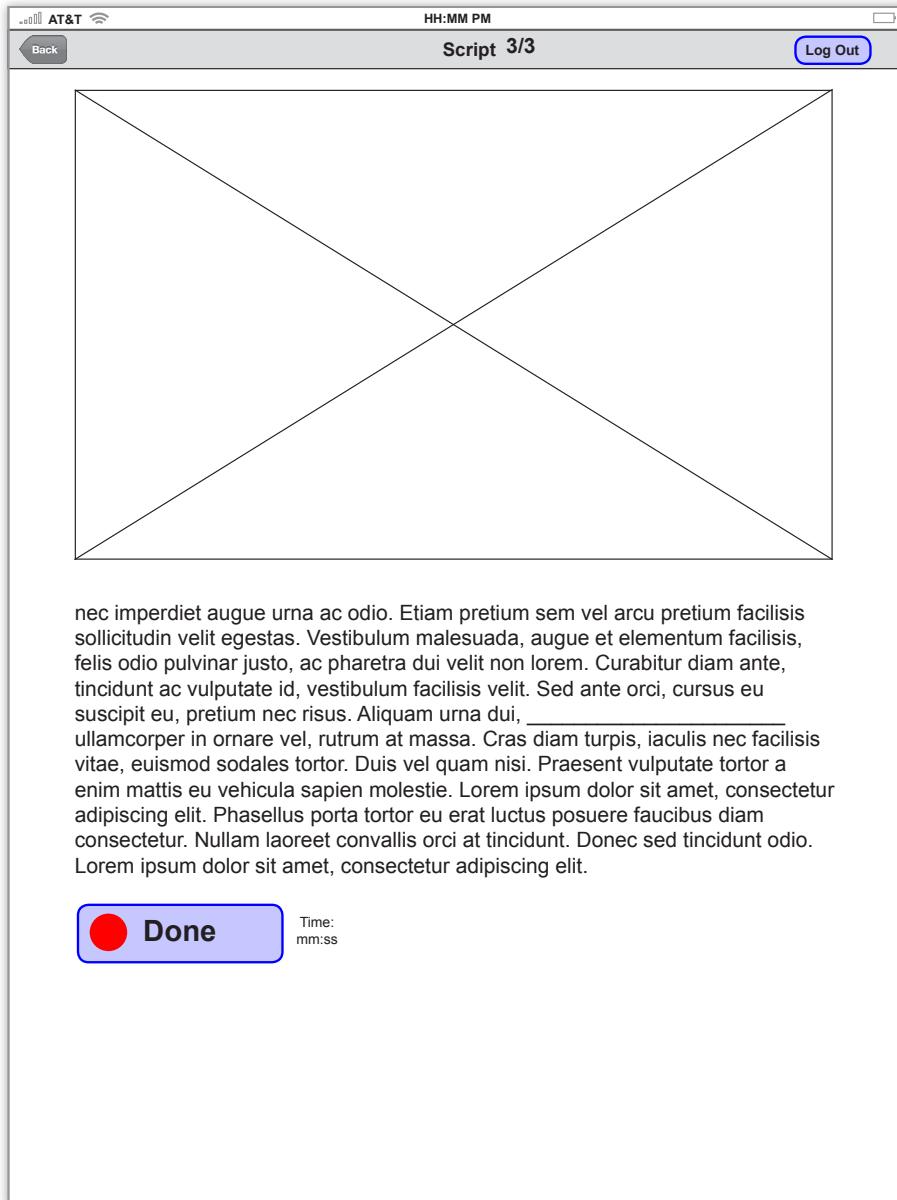

The screenshot shows a mobile-style application interface. At the top, there's a header bar with signal strength, AT&T logo, and a back arrow labeled "Back". The title "Script 2/3" is centered above a "Log Out" button. Below the header is a large video player area. Inside the video player is a large blue circle containing a play button icon with the number "1" in an orange circle. Below the video player are three control icons: double-left arrow, single-right arrow, and double-right arrow. A progress bar is located just below these controls. The main content area contains a block of placeholder text (Lorem ipsum) followed by a "Done" button with a red circular icon and a "Time: mm:ss" field.

nec imperdiet augue urna ac odio. Etiam pretium sem vel arcu pretium facilisis sollicitudin velit egestas. Vestibulum malesuada, augue et elementum facilisis, felis odio pulvinar justo, ac pharetra dui velit non lorem. Curabitur diam ante, tincidunt ac vulputate id, vestibulum facilisis velit. Sed ante orci, cursus eu suscipit eu, pretium nec risus. Aliquam urna dui, _____ ullamcorper in ornare vel, rutrum at massa. Cras diam turpis, iaculis nec facilisis vitae, euismod sodales tortor. Phasellus porta tortor eu erat luctus posuere faucibus diam consectetur. Nullam laoreet convallis orci at tincidunt. Donec sed tincidunt odio. Lorem ipsum dolor sit amet, consectetur adipiscing elit.

Done Time: mm:ss

1. After user watches the video, the video shrinks in the space above the script related to the video

Photo/Image Question

nec imperdiet augue urna ac odio. Etiam pretium sem vel arcu pretium facilisis sollicitudin velit egestas. Vestibulum malesuada, augue et elementum facilisis, felis odio pulvinar justo, ac pharetra dui velit non lorem. Curabitur diam ante, tincidunt ac vulputate id, vestibulum facilisis velit. Sed ante orci, cursus eu suscipit eu, pretium nec risus. Aliquam urna dui, _____ ullamcorper in ornare vel, rutrum at massa. Cras diam turpis, iaculis nec facilisis vitae, euismod sodales tortor. Duis vel quam nisi. Praesent vulputate tortor a enim mattis eu vehicula sapien molestie. Lorem ipsum dolor sit amet, consectetur adipiscing elit. Phasellus porta tortor eu erat luctus posuere faucibus diam consectetur. Nullam laoreet convallis orci at tincidunt. Donec sed tincidunt odio. Lorem ipsum dolor sit amet, consectetur adipiscing elit.

Done Time:
mm:ss

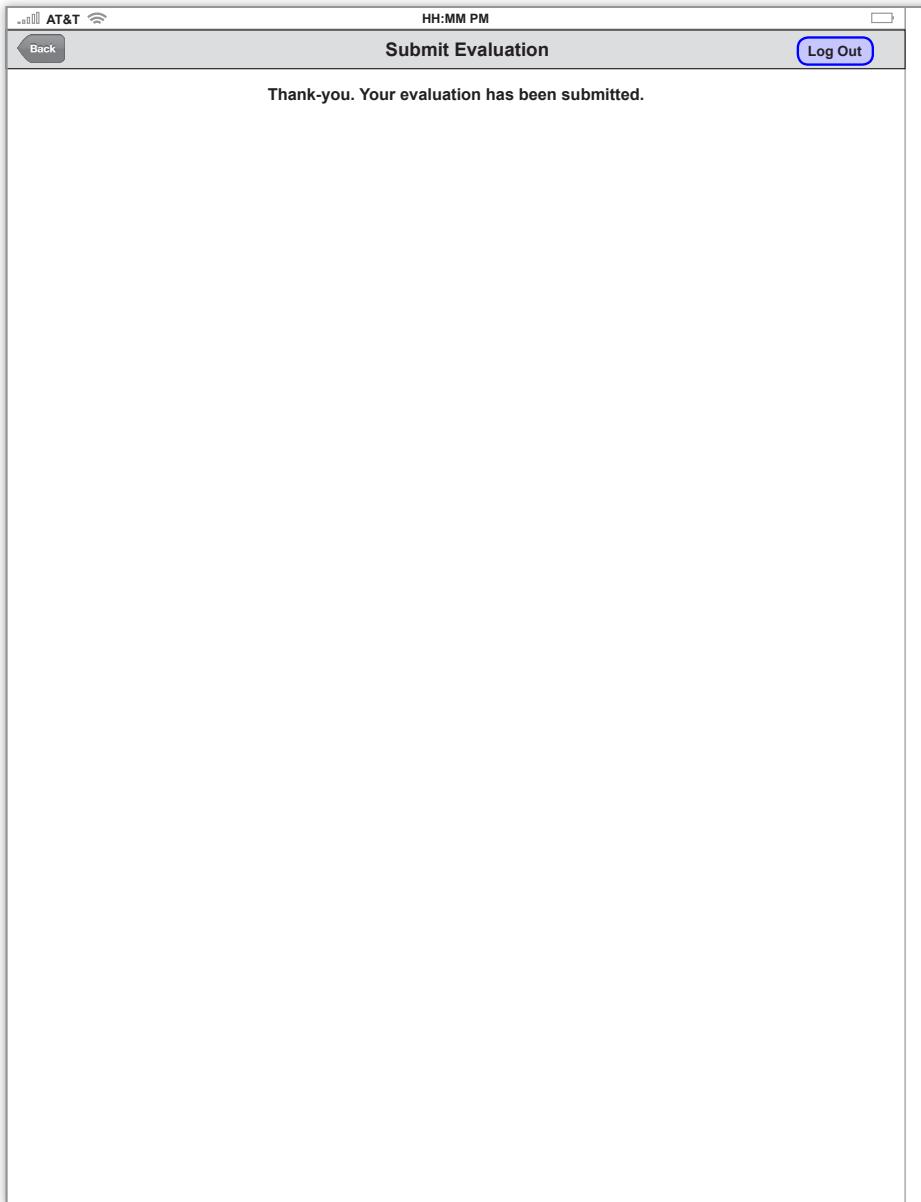

1. The image page is laid out similar to the video page after the video is done playing to leave the image on the same page as the script text.

Submit Evaluation

The screenshot shows a mobile-style application interface titled "Submit Evaluation". At the top, there are icons for signal strength, AT&T, and battery level, followed by a time indicator "HH:MM PM". Below the title are "Back" and "Log Out" buttons. The main content area is titled "Review Recording" and contains three sections labeled "Recording 1", "Recording 2", and "Recording 3", each with a play button icon. A large blue button labeled "Re-Record" is overlaid on the first section. A small orange circle with the number "1" is positioned to the left of the "Re-Record" button. At the bottom of the screen is a blue "Submit" button.

1. Selecting the re-record button will take the user back to that portion of the script

Admin Website

Admin's Roster

The screenshot shows the P.A.D.R.E. application interface for managing users. At the top, there is a header bar with the title "P.A.D.R.E.", a welcome message "Welcome Scott Thomas Administrator", and a dropdown menu icon. Below the header, there are three tabs: "Users" (selected), "Add User", and "Evaluations".

The main area is titled "Users" and contains the following components:

- User Type:** A dropdown menu with options "Admin", "Attending", and "Resident". An orange circle labeled "1" is positioned over this field.
- Filter By:** A dropdown menu with options: Anesthesiology, Cardiology, Specialty, Specialty, Specialty, Specialty, and Specialty. An orange circle labeled "3" is positioned over this field.
- Search:** A text input field with placeholder text "Search". An orange circle labeled "2" is positioned over this field.
- Submit:** A blue "Submit" button.
- Navigation:** A set of letters from A to Z (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z) with "C" highlighted in blue, indicating the current page.
- Last Updated:** A column of date fields labeled "mm/dd/yyyy" for each user entry. An orange circle labeled "4" is positioned over the first date field.
- User List:** A table listing 15 users, each with their name, specialty, and last updated date. The users listed are: Andrew Can, Jessica Cash, Tommy Cart, Barry Cohls, Dillon Cow, Michael Corth, Tammy Calm, Kevin Cates, Laura Chow, Tom Crown, Karen Cotes, Andres Conquez, and Harry Cong. An orange circle labeled "5" is positioned over the first user row.
- Details:** To the right of the user list, there are two columns: "User" and "Specialty". The "User" column lists the names of the users, and the "Specialty" column lists "Specialty" for all users. An orange circle labeled "6" is positioned over the first "User" entry.
- Pagination:** At the bottom right of the user list, there are navigation icons for "First", "Previous", "Next", and "Last". An orange circle labeled "7" is positioned over the "First" icon.

1. User can search the residents and attendings
2. User can filter by admin, attending and resident
3. User can filter by specialty
4. Pagination system based on user's last name
5. User can filter alphabetically
6. Clicking on resident's name will take the user to the resident's profile, all of the resident's evaluation and the resident's evaluation schedule
7. Clicking on attending will take the user to the attending's profile page
8. Clicking on the last updated date will take the User to the last updated evaluation
9. There will be a pagination system if the page is too long

Create Evaluation

The screenshot shows the P.A.D.R.E. software interface with the following elements:

- Header:** "P.A.D.R.E." and "Welcome Scott Thomas Administrator".
- Navigation:** "Users", "Add User", and "Evaluations".
- Breadcrumbs:** "Evaluations > Create Evaluation".
- Section:** "Create Evaluation" under "Section 1".
- Fields:** "Title" input field.
- Body:** A large text area labeled "Body" with three numbered callouts:
 - 1:** A video camera icon indicating a video recording feature.
 - 2:** A photo camera icon indicating a photo upload feature.
 - 3:** Buttons for "Save" and "Add a section".
- Character Counter:** "xxxx Character remaining" at the bottom of the body area.

1. User can add video
2. User can add photos
3. User is only allowed a certain amount of space based on the screen size plus content and record button

Create Evaluation Add Section

The screenshot shows a user interface for creating an evaluation. At the top, there is a title input field labeled "Title" and a large "Body" text area with rich text editing tools (bold, italic, etc.). Below the body is a character count indicator "xxxx Characters remaining". At the bottom of the first section are three buttons: "Save", "Add a section", and "Delete section". A circled "1" is placed next to the "Add a section" button.

Section 2

1 e

Body

xxxx Characters remaining

Save Add a section

1. User adds sections if the previous section is longer than the allowed space

Create Rotation

The screenshot shows the P.A.D.R.E. software interface. At the top, there is a header bar with the text "P.A.D.R.E." and "Welcome Scott Thomas Administrator". Below the header, there are three tabs: "Users", "Add User", and "Evaluations". The "Evaluations" tab is currently selected. A breadcrumb navigation path "Users > Tom Crown > Create Evaluation" is displayed. The main content area is titled "Create Evaluation". It contains fields for "Title" (an empty input box), "Start Date" (an empty input box with a calendar icon), "End Date" (an empty input box with a calendar icon, circled with an orange marker and labeled with the number "1"), and two buttons at the bottom: "Save" and "Cancel".

1. Upon clicking in the date field, a calendar will appear

Attending View

Attending Roster

The screenshot shows a software application window titled "P.A.D.R.E.". At the top right, it says "Welcome Scott Thomas" and "Attending". On the left, there's a sidebar with a "Users" tab selected. Below that is a table with columns: "Resident", "Specialty", and "Last Updated". The "Last Updated" column contains placeholder text "mm/dd/yyyy". There are seven rows in the table, each representing a resident: Andrew Can, Jessica Cash, Tommy Cart, Barry Cohls, Dillon Cow, Michael Corth, and Tammy Calm. The first row (Andrew Can) has an orange circle with the number "1" over it, and the second row (Jessica Cash) has an orange circle with the number "2" over it.

Resident	Specialty	Last Updated
Andrew Can	Cardiology	mm/dd/yyyy
Jessica Cash	Cardiology	mm/dd/yyyy
Tommy Cart	Cardiology	mm/dd/yyyy
Barry Cohls	Cardiology	mm/dd/yyyy
Dillon Cow	Cardiology	mm/dd/yyyy
Michael Corth	Cardiology	mm/dd/yyyy
Tammy Calm	Cardiology	mm/dd/yyyy

1. Clicking on resident's name will take the user to all of the resident's evaluation and evaluation schedule
2. Clicking on the lastest updated date will take the User to the last updated evaluation
